Charter/Ordinance Committee Agenda

1) Ordinance Review

a) Review of The District Civil Ordinance Regulating The Burning and Disposal of Solid Waste.

Mr. Kade and Mr. Paxman decided to begin the work of the committee by reviewing the ordinances of the District beginning with The Burning and Disposal of Solid Waste. They reviewed the definition to determine if that was acceptable. Mr. Kade felt that they should be looking to find references in the ordinance for requirements of policies or procedures.

Discussions of changes to numerous sections occurred with these changes to be made by District Staff which will then be presented to the full board.

The Charter/Ordinance Committee meeting adjourned at 4:40 PM.
