2025 SUPERVISORS REPORT

2025 was a hallmark year for NWSWD. In March, we were featured on NBC5. In May, we held an open house in Alburgh, connecting with customers at our newest site over food and drink. Over the summer, we sent our compost truck to be specially outfitted with a new body designed for food scrap collection. In September, we held a ribbon-cutting ceremony to celebrate the conclusion of our Georgia Recycling Center expansion project. We are constantly working to improve our operations to make waste management safer and more efficient for Vermonters!

- Services used over 72,000 times
- Composted 720 tons of food scraps
- Collected 61 tons of HHW material, an increase of 15 tons from last year
- Expanded social media presence to earn 250,000+ views

This year, NWSWD organized 20+ events, including papermaking and mending workshops, an upcycled art show, composting seminars, and a waste audit at Enosburg Elementary. We partnered with groups such as Franklin County NRCD, Composting Association of Vermont, Swanton Arts Council, and Franklin Grand Isle Tobacco Prevention Coalition.

1561 TONS
LANDFILLED

1943 TONS
RECYCLED

NWSWD is a legislatively chartered Municipal Corporation charged with planning, implementing, and regulating waste management strategies for our 19 member communities. Our mission is to provide for the efficient, economical, and environmentally-sound reduction, reuse, recycling, and disposal of solid waste.
